March, 18, 2020

The following message is authorized by Mayor Gary Engelstad.

The Bradley Beach Office of Emergency Management has received confirmation of the first Bradley Beach resident positive for COVID-19. The Health Department further confirmed that proper notifications are being made which include follow-up with all persons who have been in contact with the resident.

The Office of Emergency Management will release more information as it becomes available. We remind you to please remain vigilant and continue to follow all of the CDC guidelines on how to protect yourself from the virus.

Chief Leonard A Guida,  
Coordinator,  
Office of Emergency Management
