**Re: Utility Notification
Improvements to Park Place Avenue
Borough of Bradley Beach, Monmouth County, New Jersey
Our File No. HBB00602.01**

To Whom It May Concern:

The above-mentioned project generally consists of the reconstruction of Park Place Avenue in the Borough of Bradley Beach, including drainage, sanitary sewer, and curb and sidewalk improvements. At your earliest convenience, please review the attached location map and advise this office of any utility conflicts, or any improvements by your utility that you foresee with regard to this project. At this time, the Borough anticipates the advertising for public bid of this project to be this spring and actual construction to begin in the summer of 2023.

Finally, no utility openings will be permitted within a five-year period from the date of the application of the top course pavement. Any utility relocation work that is anticipated by your utility should be scheduled at this time.

Please contact this office immediately if you plan on making any utility connections.

Should you have any questions or require additional information, please do not hesitate to contact this office.

Very truly yours,

CME Associates
