## NOTICE OF ROAD CONSTRUCTION

# NO PARKING 6AM-6PM

Discover Construction LLC will be performing pavement rehabilitation on Newark Ave. Construction is set to begin on **Thursday, 12/09/2021** at **7:00 AM** through **Saturday, 12/11/2021** at **6:00 PM**

During construction, it will be necessary to close the street partially or completely to vehicular traffic during construction work hours due to safety concerns. No street closure is expected to last more than 12 hours at a time. Street parking will also be restricted and will be enforced by the Local Police Department. Night time parking will be allowed when construction is not in progress, however, cars will need to be removed at the above stated time the following day.

Residents should know that access to their driveway may be prohibited for most of the day during the paving operations. If you plan to drive your vehicle while rehabilitation is scheduled in your area, please park it outside of the construction area to avoid oil spray or other potential hazards. Please note that the oil and asphalt used during construction is not easily removed from feet, shoes, floors and rugs.

Contractor will attempt to minimize this inconvenience as much as possible; however, this is necessary to perform the work at hand.

If any emergencies should arise, please contact the Local Police Department. Emergency vehicles will be allowed through at all times.

The contractor recognizes the inconvenience that any road construction may cause and apologizes in advance for any difficulties encountered. The contractor will make every effort to have the work completed as soon as possible.

If any questions or concerns shall arise please contact contractor's office at (732) 305-7156 between the hours of 8 A.M to 3 P.M.
