

Please note our policy on Replacements and Substitutes for the Bradley Beach Recreation Center Bocce League. We understand things come up however Bocce players rely on 8 teams to be in attendance each night for league play. If two members of your team are replaced with Subs your team takes the losses. If one member of your team plays with a sub the games count as wins or losses.

In the event you can not secure a substitute for yourself or a teammate please reach out to the recreation department no later than a day before you are scheduled to play. We will find you one utilizing our waitlist members.

This is a 7 week commitment. If your whole team needs to be replaced twice within those 7 weeks we will have to replace your team for the rest of the season with a team from the waitlist.

Thank you,
The Bradley Beach Recreation Department
