 - ii. Film buckets needed
Meredith-Film recycling bucket request to DPW
- 4.) New Business
 - a. Mayor's wellness Campaign
 - Larry- 8/2 meeting Barb Johnston, Michelle While, Rona spearheading
 - Goal: Assess what things have positive or an adverse impact on health in Bradley Beach
 - Asbury was recently awarded wellness campaign by the NJ Healthcare quality institute, the process uses the Philip Crosby Quality Improvement method
 - Survey request for Environmental practices benefitting/harming health used as preliminary inventory for health promotion
 - Possible topics to include:
 - Beach sweeps
 - Recycling (plastic, town pick ups)
 - Environmental Commission tables at events
 - Al: Plantings Grasses in Classes, maritime forest, 2nd ave, storm drain labelling (paint), living shoreline Sylvan Lake
 - (Meredith) Community Garden, Japanese Knotweed
 - b. John's request to consider moving up SJ certification
 - John-David Brown is doing many projects to get more points, and EDF fellow's work should be included as well We should be sure that points are not going to expire prior to next cycle. Not 18 months for all points so Someone should check with sustainable Jersey if we are eligible to reapply before submitting-
 - Check timeline to see if plausible to reapply this year- Rona, John
 - c. Miss anything?
 - John- Energy aggregation ordinance
 - Passed by council
 - Which parameters to set for aggregation goals? Start low, work our way up
 - Opt-in, Opt-out process should be clarified

- Geoff-
 - Town properties should be 100% renewable by certain date, including school
 - Residents should be able to opt-in, out.
 - Seasonal and rental properties may take more effort to keep track of-John will ask aggregation folks how that works.

5.) Adjourn- Geoff

Second-Rona

Next meeting 9/13/2021
