PARKING DURING SNOW EMERGENCIES

PHASE ONE:

All vehicles shall be moved off of the south side of the street from all streets that run east and west.

All vehicles shall be moved off of the east side of the street from all streets that run north and south.

Vehicles shall not be moved back until the streets have been plowed sufficiently and snow has stopped, to the extent that parking will not interfere with the normal flow of traffic.

PHASE TWO: All vehicles shall be moved off of the north side of all streets that run east and west and off of the west side of all streets that run north and south. This is to allow for continued plowing when necessary.

For further information please refer to Ord.# 9-11.1 (Temporary no parking for snow removal).

PLACING SNOW OR ICE INTO THE STREET(S) IS PROHIBITED

No person or other entity shall throw, place or deposit any snow or ice into or on any street in the Borough, and no owner, tenant or occupant shall cause or allow such throwing, placing or depositing or any snow or ice to remain in the street, being the intent and purpose of this provision to prohibit all such persons and entities from throwing, placing or depositing snow or ice which accumulated on the private property of adjoining sidewalks into the streets of the Borough.

PLEASE CLEAR FIRE HYDRANTS OF SNOW FOR EMERGENCIES

BRADLEY BEACH, NEW JERSEY 07720
PHONE (732) 775-6900
FAX (732) 774-3108

Bicycle Safety

- Always inspect your bike prior to riding
- The seat should be adjusted to the proper height and locked in place
 - Make certain all parts are secure and working properly
 - Check that the tires are inflated properly
- Make sure the bike is equipped with reflectors on the rear, front, pedals, and spokes
- A horn or bell, a rear-view mirror, and a bright headlight are recommended

Plan to Be Seen

- Make certain drivers can see you
- Wear neon, fluorescent or other bright clothing
- Whenever possible, ride during the day
- If you must ride at night, wear reflective clothing and use bike lights for visibility

Wear a Helmet

- Helmets appropriate for bicycling should be worn by everyone - adults and children - on every bike ride regardless of length of the ride
 - Helmets are required in New Jersey for cyclists under age 17. More detailed guidelines for helmets can be found [NHTSA.gov](https://www.nhtsa.gov).
To properly fit a bicycle helmet visit <https://www.nhtsa.gov/road-safety/bicycle-safety>
 - Adjust sizing pads or fit ring until the helmet is snug
- Position the helmet level on your head, covering the forehead and not tipped backward or forward; this will be about one to two finger widths above the eyebrow
 - Adjust the side straps so they form a "V" shape under and slightly in front of your ears
 - Center the buckle on the chin strap under your chin
- Buckle and tighten the chin strap until it is snug; no more than one to two fingers should be able to fit between the chin and strap
 - When fitted, the helmet should not rock more than 1 inch side to side or front to back on your head

Follow the Rules of the Road

- Stay safe by following the rules
- Get acquainted with traffic laws; bicyclists must follow the same rules as motorists
 - Ride single-file in the direction of traffic
- Remain alert, keep your head up and look around; watch for opening car doors and other hazards
 - Use hand signals when turning and use extra care at intersections
- Before entering traffic, stop and look left, right, left again and over your shoulder

Please remember to always lock up your bicycles when unattended. Thank you.

Trash collection **MAY** be suspended during a Severe Storm or a State of Emergency. Trash collection will resume on the next regular day of collection.

286-34 BULK STICKER FEES FOR COLLECTION OF BULK GOODS

The following schedule of the number of fee stickers required for each bulk item is based on four fee stickers for 25 pounds of weight. The weight of items used in this schedule are estimated weights formulated by the Department of Public Works. If any item not on this schedule is being placed for collection, the person placing the item should estimate the total weight of the item (in pounds) and divide the figure by 25 to arrive at the number of fee stickers required for that item. Any person unable to estimate the weight of any item may call the Department of Public Works for an estimate.

Below is a list of the most common items placed at curbside for disposal. NOTE: Items weighing less than 25 pounds require four stickers, provided that items weighing more than 25 pounds may be combined and placed together in a bag as long as the bag does not weigh more than 25 pounds. Four stickers must then be placed on the outside of the bag.

ITEM	NUMBER OF REQUIRED STICKERS
Straight Back Chair	4
Dining Room Chair	6
Stuffed Chair	6
End Tables & Nightstands	4
Sofa	10
Mattress	8
Sofa Bed	20

Air Conditioner less than 5000 BTU	15
Dryer	20
Water Heater	20
Stove	30
Dishwasher	30
Electronics/Metal*	4

Minimum of 4 bulk stickers/additional based on weight

BULK PICK-UP AND DROP OFF PRACTICES:

1. A Systematic 6-time a year street pick-up with stickers and on a schedule-the second Thursday of every month alternating zones. **Maximum 5 items per pick-up.**
2. Each year a card will be issued to each household for 6 drop-offs per year at the Yard. You can pick up your card when you make your first drop-off.
3. We will issue one other \$50 sticker per household if anyone needs an additional drop. That would be a total of 13 opportunities for bulk disposal.

RECYCLING INFORMATION

Biagio Cofone: DPW Superintendent
732-776-2999 ext. 3111
email: bcofone@bradleybeachnj.gov
Andrew Neaves: Sanitation Foreman

Office: 705 Evergreen Avenue
Trash/Recycle Yard: 1011 Main Street
Bradley Beach, NJ 07720

The goal of the recycling program is to reduce our community's waste by expanding access to recycling options for many materials. The following is how Bradley Beach residents can participate:

RECYCLING: COLLECTION EVERY WEDNESDAY FOR ALL ZONES

SINGLE STREAM RECYCLABLES must be placed into a covered sturdy re-useable container not to exceed 32 gallons with drainage holes in the bottom and placed curbside by 5:00 am the day of collection. ALL cans, bottles, and plastics should be washed to control bugs and odors. Please do not put plastic bags in with single stream recycling.

SINGLE STREAM RECYCLABLES INCLUDE: glass bottles and jars, cereal and snack boxes, cardboard, office paper, newspaper, magazines, tin, aluminum and steel cans, plastic bottles, and rigid plastics.

PLASTIC & GLASS EXAMPLES: labeled number 1 PET bottles, labeled number 2 HDPE bottles (detergent type bottles), labeled number 5 PP containers such as: margarine tubs, baby wipe containers, yogurt cups, and empty K-cup® pods.

METAL CAN EXAMPLES: aluminum cans, tin cans, bi-metal cans, nonhazardous aerosol cans, and clean aluminum foil.

PAPER & CARDBOARD EXAMPLES: cardboard and corrugated cardboard shipping boxes (un-waxed) **must** be collapsed, pizza boxes, mixed paper [including: chipboard (cereal boxes), white and colored paper, junk mail, magazines, soft-cover books, newspaper (including inserts)] may be folded and tied securely in bundles, maximum size of 2' X 2' or placed with single stream recyclables in containers.

ITEMS NOT ACCEPTED: motor oil containers, mirrors, bulbs, dishware, ceramics, glassware, window glass, LDPE, plastic wrap, bubble wrap, plastic bags (see plastic film below), propane tanks, batteries of any kind, Styrofoam (all types), food of any kind, food wrappers or used paper plates, napkins or paper towels, medical waste or needles, broken bottles or any other type of broken glass.

For more detailed information, please visit: <https://www.mazzarecycling.com/single-stream-recycling/>

PLASTIC FILM DISPOSAL

Plastic film can be disposed of at the Recycling/Trash Yard located at 1011 Main St., Bradley Beach on the days of operation (proof of residency is required) or put into the drop-off container located at the Bradley Beach Library, 511 4th Ave., Bradley Beach.

LEAVES, BRUSH & YARD WASTE

Pick-up:

ALL ITEMS MUST BE PLACED AT THE CURB IN SEPARATE PILES. All brush and yard waste shall be placed at curb side by 5:00 am of the day designated for collection. No brush or yard waste shall be placed at the curb side more than 72 hours prior to any scheduled collection.

The Public Works Department starts picking up on the designated Monday and it may take a few days to complete the town. If the Monday falls on a holiday pick-up will be the next working day.

Brush and Shrubs, not more than eight inches in diameter and not in excess of 10 feet in length, may be placed between the curb and sidewalk for collection by the Borough only on days specified for brush collection. All brush placed at any curb must have originated at the property adjacent to the curb at which same is placed for collection.

Brush will be collected on the second and fourth Monday in April and the second Monday in March, May, June, September, October, November and December. The Superintendent of Public Works may add additional brush pick-ups throughout the year, on an as needed basis, please refer to the Borough website at www.bradleybeachnj.gov for updates. The Public Works Department will collect brush as a result of a severe storms throughout the year. Yard waste will be collected on the brush collection dates.

Yard waste materials to be collected by the Borough of Bradley Beach shall be drained of all liquid and then placed at curb side in an authorized yard waste container ONLY. No yard waste loose at the curb will be collected and a summons will be issued for failure to comply.

Leaves may be placed loose or in biodegradable leaf bags at curb side from April 1 through May 31 and from September 15 through December 1. Leaves shall not be closer than 10 feet to drain inlet. Leaves may be placed for collection only in authorized biodegradable leaf bags.

ALL ITEMS MUST BE PLACED AT THE CURB IN SEPARATE PILES. Please do not combine leaves, dirt or grass clippings with brush or yard waste. Please do not throw brush, leaves, yard waste or grass clippings in the trash.

Definitions:

Authorized Yard Waste Container: Trash or garbage container with approved label and drain holes to allow the water to drain. The container shall not exceed 50 lbs. with contents.

Yard Waste: Hedge/yard trimmings and vegetation from flowers and gardens. Authorized Leaf Bag: Biodegradable leaf bag.

Bradley Beach residents may dispose of brush, shrubs, yard waste and leaves at the Trash/Recycling Lot, 1011 Main Street, Bradley Beach (proof of residency required). Please refer to the Borough website at www.bradleybeachnj.gov for days and hours of operation.

GRASS CLIPPINGS WILL NOT be collected by the Borough and SHALL NOT be placed at the curb at any time. The Borough encourages you to participate in the Grass – Cut it and Leave it Program. By doing this you will:

- Save time – You don't have to empty your mower's bag, no raking, no bagging, and no taking clippings to the street.
- Use less water – lawn clippings contain water and leaving those clippings on the lawn retains moisture, therefore you water less, or not at all.
- Use less fertilizer – lawn clippings contain nutrients. Leaving them on the lawn fertilizes your lawn, therefore you use less fertilizer or none at all.

We advise that you mow High! 2.5" – 3.5" is ideal for NJ. It saves moisture and shades out weeds.

FLOOD INFORMATION

Anywhere it rains, it can flood. A flood is a general and temporary condition where two or more acres of normally dry land or two or more properties are inundated by water or mud flow. Many conditions can result in a flood: hurricanes, overtopped levees, outdated or clogged drainage systems and rapid accumulation of rainfall. Just because you have not experienced a flood in the past, does not mean you will not in the future. Flood risk is not just based on history, it is also based on several factors: rainfall, river-flow, tidal-surge data, topography, flood-control measures, and changes due to building and development.

Flood-hazard maps have been created by the federal government to show different degrees of risk for your community, which help determine the cost of flood insurance. The lower the degree of risk, the lower the flood insurance premium. Homeowners Insurance does not provide coverage for floods. A separate policy must be obtained. The federal government offers such policies. See below.

HOW CAN I TELL IF MY HOME IS IN THE FLOOD ZONE?

The Borough of Bradley Beach is mainly not in the flood zone. Small sections of land near Sylvan Lake and Fletcher Lake are in the flood zone. To determine your zone, you can contact Borough Hall, or go to the Borough website www.bradleybeachnj.gov and click the link to FEMA www.floodsmart.gov or onto the website: www.fema.gov and click on maps, then flood map online and enter address.

IF FLOOD INSURANCE IS NEEDED, PLEASE SEE THE BELOW INFORMATION:

The National Flood Insurance Program (NFIP) is administered by the Federal Emergency Management Agency (FEMA), which works closely with nearly 90 private insurance companies to offer flood insurance to property owners and renters. In order to qualify for flood insurance, a community must join the NFIP and agree to enforce sound floodplain management standards. The Borough of Bradley Beach is a NFIP member. The NFIP, a federal program, offers flood insurance, which can be purchased through property and casualty insurance agents. Rates are set and do not differ from company to company or agent to agent. These rates depend on many factors, which include the date and type of construction of your home, along with your buildings level of risk.

DRIVING FLOOD FACTS: The following are important points to remember when driving in flood conditions:

- Six inches of water will reach the bottom of most passenger cars causing loss of control and possible stalling.
- A foot of water will float many vehicles.
- Two feet of rushing water can carry away most vehicles including sport utility vehicles (SUV's) and pick-ups.

AFTER A FLOOD: The following are guidelines for the period following a flood:

- Listen for news reports to learn whether the community's water supply is safe to drink.
- Avoid floodwaters; water may be contaminated by oil, gasoline, or raw sewage. Water may also be electrically charged from underground or downed lines.
- Be aware of areas where floodwaters have receded. Roads may have weakened and could collapse under the weight of a car.
- Stay away from downed power lines and report them to the power company.
- Return home only when authorities indicate it is safe.
- Use extreme caution when entering buildings; there may be hidden damage, particularly in foundations.
- Service damaged septic tanks, cesspools, pits, and leaching systems as soon as possible. Damaged sewage systems are serious health hazards.
- Clean and disinfect everything that got wet. Mud left from floodwater can contain sewage and chemicals.

Emergency Situations:

Examples: Floods, Hurricanes, Blizzards, Etc.

In case of emergency, remember to:

Make A Plan - Know where you will meet and how you will contact family members.

Build A Kit - Have an emergency supply kit containing water, nonperishable food, battery powered radio, flashlight, extra batteries, medication and sanitary supplies.

Emergency Bulletins are broadcasted on radio stations WJLK-94.3FM, WOBN-92.7FM and WRAT-95.9FM. Emergency notifications can also be received via phone and/or email by registering for Bradley Beach's Emergency Notification System. This can be done by logging in to www.bradleybeachnj.gov and clicking on "Emergency Notification System" on the Emergency Management link. You may also go to the Bradley Beach Police Department to register.

Be Informed - Know how to receive emergency information in your community.

If you must prepare to evacuate, and time permits, you should secure your home by bringing all outdoor objects that could become projectiles indoors, turn off all utilities, move valuables to higher floors. Never walk through standing or moving flood water. For More information, go to websites: www.ready.gov, www.registerready.nj.gov www.weather.gov

Be aware of alternate side of street parking rules that apply during snow fall. You can receive instructions by logging on to www.bradleybeachnj.gov or see above for Phase One and Phase Two in instructions .

If you are unsure of what you should do in the event of an emergency contact the Bradley Beach Police Department at (732) 775-6900.
